

Interested in Motivational Workshops?

Teacher's Tackle Box offers affordable workshops. We would love to visit your school district and talk to the new teachers as they begin their careers. We can fashion our presentations to meet your local needs. Price discounts are available for quantity purchases when ordering directly through us. Please contact us for more information at info@teacherstacklebox.com.

Some workshop topics include:

1. The “ART” and “HEART” of teaching (New Teachers)
2. How to Create and Maintain a Positive Learning Environment
3. How to Make Parents Your Partners
4. Stress Management
5. How to Individualize Your Classroom; Meeting the Needs of Each Student
6. Effective Communications Techniques
7. Innovative Ideas to Better Motivate and Teach Your Students
8. Classroom Routines; the Functional Classroom

What people are saying about *Teacher's Tackle Box*

“Once you get a nibble of this book you are going to want to reel it all in! The Teacher's Tackle Box is perfect for both the novice and the knowing. Take one look and you'll be hooked!”

**Todd Whitaker, Educational Consultant
Indiana State University**

“It was one of the most common sense, down to earth and fun books I have read about teaching. You didn't make grandiose promises of success but just gave good sound advice. I really appreciated your advice on planning everything down to the last detail, including phone calls and parent conferences. You did a super job on this book and I can't wait to recommend it to my MWSU supervisees.”

**Pat Burton, Supervising Teacher
Missouri Western State University**

Workshop Reviews

“It explained to us how we can actually apply these techniques and strategies to our classrooms and students”

“No other classes we have had talk about giving your heart.”

“I think the website and blog is a great idea; we might want to ask a question to an outside person about some problem.”

“I learned to try to leave the stress and remember the teaching moments.”

“Thanks, I needed a pick me up and confirmation that I'm not totally lost!”

“The book is short but pithy. During the workshop I felt reassured by hearing someone else's experiences.

“Awesome presentation ... I felt I took away a great deal of helpful knowledge!”
